

1st Edupeace Newsletter

Main Idea

“EDUPEACE empowers secondary school teachers with innovative, free, and ready-to-use resources and digital tools to integrate peace education into everyday teaching, helping schools create inclusive, supportive, and emotionally resilient learning environments across Europe”

TPM in Lublin

On 9-10 March 2026, representatives of all partners organizations met in Lublin Poland for the 1st Transnational Project Meeting. During these 2 intensive days the partnership discussed the overall project framework, clarified responsibilities between partners and planned the next steps for the following months.

ATTENTION TEACHERS

“Transform your classroom into a space that promotes empathy, dialogue, and cooperation. Gain new skills, access free and practical teaching resources, and join a European community of educators committed to building peaceful and inclusive schools with EDUPEACE.”

Collaborate, Innovate, Educate

At the heart of the exchanges:

- the analysis of the initial results of the research by teachers and students
- the structure of innovative educational tools being developed (framework, digital platform, toolbox)
- strengthening of dissemination and cooperation actions between partners
